Tell me more about Riverside Furniture's

# oasis™ on line

*The information you need is just a point-and-click away!*

## What is **oasis™ on line** ?

**oasis™** is Riverside Furniture's automated order and stock information system. OASIS may be accessed 24 hours daily either by telephone at 1-800-961-9737 or on line at [www.riverside-furniture.com](http://www.riverside-furniture.com).

## Is **oasis™ online** secure ?

Yes. **oasis™ on line** utilizes 128-bit encryption, the highest level of security for protection of information transmitted by internet communications.

## Do I need any special equipment or software to use **oasis™ on line** ?

No. **oasis™ on line** may be accessed by any desktop or laptop computer system with an internet connection. It is designed for a computer monitor with a screen resolution of 800 x 600 pixels or higher. We recommend a resolution of 1024 x 768 to enjoy maximum clarity.

## Can I manage who in my business has access to **oasis™ on line** ?

Yes. One person in your organization will be designated as your company's registrar for **oasis™ on line**. Only the designated registrar will have the ability to set up additional users with their own level of access security.

## How can **oasis™ on line** help me run my day-to-day business with Riverside Furniture ?

**oasis™** provides you with quick, up-to-the-minute information regarding such things as:

- The status of outstanding orders.
- A 24 month history of Riverside products invoiced and shipped to you.
- Product information including photos, stock availability, weights, cubes, and product descriptions, with many more features being added in the future.

## How do I begin using **oasis™ on line** ?

Submit your request on your company letterhead with the following required information to your Riverside sales representative:

- Riverside account number
- Store name
- First and last name of the person submitting the request
- Personal e-mail address

When your request has been received and approved, we send via e-mail your user ID, user guide and complete instructions for using **oasis™ on line**.
